

How Much  
**TIME** do your employees  
spend at **WORK?**

## IFACE SERIES Time Attendance Terminal

The IFace Series features one of the most user-friendly interfaces for administering your time-attendance requirements. The remote software allows you to manage, adjust, and generate automated reports and payroll details.

The IFace Series is your one-stop solution for all your time attendance requirements. The IFace comes with state-of-the-art face recognition technology, fingerprint, and ID Card access.

### Features

#### Remarkable User Experience

- Intuitive and stunning UI designed with the latest international standards.
- Interface now adopts a modularized design making the administration simpler, better and more logical.
- Fastest finger print matching speed. Less than 0.5 seconds.
- Great User and Scenario interactivity.

#### Enhanced Features and Performance

- Supports data backup and retrieval.
- Supports advanced User ID consisting of letters and numbers.
- Supports advanced chip encryption for enhanced security.
- Up to 10,000 users, and 3000 fingerprints, 1000 Faces per device.

#### Excellent Customization and Expandability

- Supports many scenarios, time schedules, and advanced software for any requirement.

| Specifications                | iFace201  | iFace202  |
|-------------------------------|---|---|
| CPU                           | ZK Multi-Bio CPU 630 MHz  |   |
| Memory                        | 256M Flash, 64M SDRAM   |   |
| Hardware Platform             | ZEM600 Multi-Medium Development Platform  |   |
| Fingerprint Sensor            | None  | ZK Optical Fingerprint Sensor without film        |
| Camera                        | High Resolution Infrared Camera   |   |
| Display                       | 4.3" TFT touch screen   |   |
| Face capacity                 | 400 (1:N)   | 1000(1:N)   |
| Fingerprint capacity          | None  | 2000  |
| ID Card capacity              | 10,000  | 10,000  |
| Logs capacity                 | 100,000   | 100,000   |
